

Opening

Share Highs/Lows since the last time you met or How has God surprised you this past week?

What thought/learning has stayed with you from last sermon about the whistle?

Discussion

How do you typically define happiness? Is it about avoiding discomfort, experiencing pleasure, or something else entirely? How does our culture define happiness?

Some people see faith as a path to happiness. What are some potential dangers or shortcomings of making personal happiness the goal of faith? How does this religion of happiness skew the message of the Gospel?

Were you challenged by the idea that we want God to unlock the best version of ourselves?

How does 'the great exchange' help us to see Jesus at the centre of the best version of ourselves?

How do you embrace being made holy: set apart to serve? Or do you struggle with feeling too unworthy for God to work through you?

Do you agree that the beautiful things of this world are often the hardest things? Such as love, sacrifice, generosity, etc.

How does the holiness we have give us confidence to do the beautiful things and look outward rather than inward?

Wrap Up

Pray as a group for each other and for your study of God's Word.
(If no one feels comfortable, pray the Lord's Prayer together.)
